

**TOPIC**

Ethics and Business Practices– Section V – Question 6

**QUESTION**

Informing the media, regulators, professional organizations, etc. (that is, spilling the beans or blowing the whistle) on your company's unethical behavior will result in what?

- I) Being promoted with your company
- II) Future compensation by your professional organization.
- III) Guaranteed job from a company with higher ethical standards
- IV) Nice severance package

- (A) I only
- (B) II only
- (C) III only
- (D) None of the I, II, III or IV

**HINTS**

The company will be very unhappy that you reported them.  
Professional organizations do not compensate whistle blowers.  
Other companies are leery of hiring whistle blowers.

**ANSWER**

(D)
